Re: **FOIA Request**

Dear Sir/Madam:

On September 09, 2015, we submitted a request pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552a, requesting any documents related to a complaint made by Ronnie E. Culpepper to the United States Environmental Protection Agency ("EPA") made in or around March 2014 about alleged misconduct of Consolidated Container Company at the company's facility in Kentwood, Louisiana. On October 9, 2015, the EPA responded to our request, stating that it could find no records relating to such a complaint.

Pursuant to FOIA, we are now requesting copies of any documents relating to any complaint(s) made to the EPA by any source (anonymous or otherwise) in 2014 about alleged misconduct of Consolidated Container Company LP at the company's facility in Kentwood, Louisiana. The request seeks documents relating to each complaint and to the EPA's investigation and response to each complaint.

If you take the position that some of the requested documents are not discoverable, please set forth a complete list of such items and the reasons for declining discovery.

We will be responsible for the copying costs associated with this request. In order to expedite payment, we ask that you please provide us with an invoice with the requested documents.

Thank you for your prompt attention to our request. If you have any questions about this request, please feel free to contact me.

Sincerely,

Lauren C. Whitfield
